Q and A on Social Security

Each month, the Social Security Administration provides some common questions and answers that may apply to you or your family. If you have any questions you would like to be answered, call the Social Security Office at 1-800-772-1213.

Q My neighbor says she gets the Social Security supplement and was wondering why I did not get it. Am I eligible for the supplement?

A There is no "Social Security supplement." But we do administer a program called "Supplemental Security Income." It is designed to supplement the income (any income, not just Social Security income) of people 65 and older or people with disabilities who have little income and few resources. Call us at 1-800-772-1213 to find out if you are eligible.

If you have a child who will be 4 years old on or before August 1, 2006, you may sign up him/her for PreKindergarten. PreK preregistration will take place at the same times and locations as Kindergarten Registration. You will need to go to your neighborhood school the evening of Monday, March 6 from 6:30 to 7:30 p.m. You may also go to the school office March 7-9 from 9 a.m. to 2 p.m. Please bring birth certificate, immunizations and proof of residency. You will receive screening information at a later date, and you will be notified if your child is eligible in May.

The PreK staff will have more information concerning the actual class sites, fees and transportation during preregistration. Classes meet Monday through Thursday for a half day and there is a weekly fee based on income.

Please call Linda at 376-4217 if you have questions or want additional information. We look forward to seeing you!
