Q and A on Social Security

Each month, the Social Security Administration provides some common questions and answers that may apply to you or your family. If you have any questions you would like to be answered, call the Social Security Office at 1-800-772-1213.

Q

I've always been afraid to do serious business via the Internet, whether it's banking or shopping. Is it safe to apply for Social Security benefits online?

A

Yes. There's no need to be afraid to apply for Social Security benefits online. It's safe and secure, and it will save you a trip and the time needed to drive to your local Social Security office to apply in person. Just logon to your computer and visit our website, Social Security Online, at www.socialsecurity.gov/applytoretire. Here you can apply online for your Social Security benefits from the comfort of your home or office.
