The DOWNTOWNER

It's hard to believe it's been 15 years. What a ride! Though the LCNFC looks to the future for new and innovative ways to assist you, our neighbors, now is a good time to look back and "reflect" on the past 15 years. It's been an interesting journey getting to where we are today. There have been multitudes of story lines with subplots and twists. Throughout it all, the LCNFC still stands strong in its mission *to create a safe and caring neighborhood where all individuals are treated with respect and live in harmony with their community.* The seven priority areas that were the cornerstones of our early existence remain today as the pillars that hold up the LCNFC foundation.

October 21 is the date that we have selected to reflect on how far we have come - together. It's also an opportunity to thank those that have been instrumental in our ongoing development. Though there are many to recognize, we have narrowed our list to just a select few who have really gone over and beyond to make the Lincoln-Central community a safe and caring place. Behind every great organization there are unsung heroes; people who have contributed in ways that can't be measured in dollars and cents. We have been blessed to have these associations that have enabled us to prosper in a way that we would have never thought possible. Jackie, Terry, Herb and Barb, Sherry, Sarla, Em, Ted, Mindy - **many thanks to you all!**

What will the next 15 years look like and who will be the unsung heroes that will lead us? Only time will tell. But, I'm sure it will be another incredibly interesting journey.
