

HELP US HELP YOU!

The Lincoln-Central Neighborhood Family Center opened in 1994 as a resident-led neighborhood center. LCNFC serves residents in a variety of ways including direct services, activities, and referrals. Under the continued leadership of neighborhood residents, and in partnership with Housing Partnerships, Inc., we have been updating our mission in order to serve you better.

Below are a few questions grouped by topic. Please take a few minutes to give us your opinion. Your answers will be used to update our vision for the neighborhood. Please feel free to call the LCNFC (379-1630) if you would like to talk about any issues you think are particularly important in the neighborhood.
